

2015 Revision Bat Rules

The York Area Church League has voted to allow all ASA approved Metal Bats

The new ASA list now denotes what type of bat with 4 categories.

C=Composite **W**=Wood **M_w**=Multi-Wall **S_w**=Single Wall Aluminum

All bats on the list are legal except those marked

C=Composite

If a bat is older than the 2004 stamp it **must be tattooed** with a battoo sticker applied by League Official.

This can be accomplished by contacting me at 717-841-6721 or fitz@yorksoftball.com

Please visit the official ASA Website at the link below for a complete and up to date bat list.

(This document should be used as a key for determining which ASA approved bat's approved for York Area Church League Play)

<http://www.teamusa.org/usa-softball/play-asa/certified-asa-equipment>

Remember no bat marked with a C on this list will be legal!
